May we be of assistance in making your next fundraiser a *spectacular* success?

For centuries circuses have been noted for good clean, wholesome, LIVE family entertainment, which has been enjoyed by “Children of all ages,” and the José Cole Circus is no exception.

Our professional circus presents outstanding acts like dazzling aerialists, death defying acrobatics, amazing equilibrists, and we also present new and exciting acts each and every year.

We are a very diverse circus which can play in venues such as armories, auditoriums, arenas, school gyms, community buildings, fairgrounds, and open-air sites, among others.

For over 30 years we have lived and have been based out of Minneapolis Minnesota. We understand the needs and concerns of organizations and their communities within the upper mid-west.

We have assisted organizations such as arenas, chambers of commerce, church groups, fair boards, fraternal organizations, service clubs, and schools, successfully sponsor the José Cole Circus.

Whether your upcoming fundraiser is scheduled for a day or a weekend, the increased drawing power of the José Cole Circus can help your organization obtain the financial goals they have set.

If desired, we can offer ideas to your organization for promoting the José Cole Circus, as well as assisting in making arrangements for posters, tickets, local newspaper, radio, T.V. advertising. Community-friendly marketing is also available.

You may have booked other forms of entertainment in the past, but why not sponsor the José Cole Circus during your next fundraising season?

Your organization can arrange a fundraising-day in: _____ on: _____.
